WORLD WRESTLING ENTERTAINMENT,
INC., VINCENT K. McMAHON, GEORGE
A. BARRIOS, and MICHELLE D. WILSON,

Defendants.

Civil Action No. 1:20-cv-02031-JSR

I, CAROL C. VILLEGAS, declare as follows, pursuant to 28 U.S.C. §1746:

1. I am a partner of the law firm of Labaton Sucharow LLP. I am submitting this declaration in support of my firm's application for an award of attorneys' fees and expenses in connection with services rendered in the above-entitled action (the "Action") from inception through May 10, 2021 (the "Time Period").

2. My firm, which was appointed Lead Counsel by the Court, oversaw all aspects of the prosecution and settlement of the Action, which are described in detail in my accompanying Declaration in Support of Lead Plaintiff's Motion for Final Approval of Class Action Settlement and Plan of Allocation and Lead Counsel's Motion for an Award of Attorneys' Fees and Payment of Expenses, filed herewith.

3. The information in this declaration regarding my firm's time and expenses is taken from time and expense records prepared and maintained by the firm in the ordinary course of business. These records (and backup documentation where necessary) were reviewed by others at the firm, under my direction, to confirm both the accuracy of the entries as well as the

necessity for and reasonableness of the time and expenses committed to the Action. The review also confirmed that the firm's guidelines and policies regarding expenses were followed. As a result of this review, reductions were made to time and expenses in the exercise of billing judgment. As a result of this review and the adjustments made, I believe that the time reflected in the firm's lodestar calculation and the expenses for which payment is sought are reasonable in amount and were necessary for the effective and efficient prosecution and resolution of the Action. In addition, I believe that the expenses are the type that would normally be paid by a fee-paying client in the private legal marketplace.

4. The schedule attached as Exhibit A is a summary indicating the amount of time spent by the attorneys and professional staff members of the firm who were involved in the prosecution of the Action, and the lodestar calculation based on the firm's current hourly rates. (For personnel who are no longer employed by the firm, the lodestar calculation is based upon the hourly rates for such personnel in his or her final year of employment by the firm.) The schedule was prepared from contemporaneous time records regularly prepared and maintained by the firm, which are available at the request of the Court. Time expended in preparing this application for fees and payment of expenses has not been included in this request.

5. After the adjustments referenced above, the total number of hours spent on this Action reported by the firm during the Time Period is 8,437.7 hours. The total lodestar amount for the reported attorney/professional staff time based on the firm's current hourly rates is \$4,624,292.50.

6. The hourly rates for the attorneys and professional staff of my firm included in Exhibit A are the firm's usual and customary hourly rates, which are set annually by the firm and have been approved by Courts in other securities class action litigations. The firm's lodestar

figures are based upon the firm's hourly rates, which do not include any expense items. Expense items are recorded separately and are not duplicated in the firm's hourly rates.

7. As detailed in Exhibit B, the firm has incurred a total of \$468,375.08 in expenses in connection with the prosecution of the Action. The expenses are reflected on the books and records of my firm. These books and records are prepared from expense vouchers, check records, and other source materials and are an accurate record of the expenses incurred.

8. The following is additional information regarding certain of these expenses:

(a) Court/Witness/Service Fees: \$7,435.70. These expenses have been paid in connection with service of subpoenas, transcripts of court hearings, and obtaining copies of court filings.

(b) Deposition Reporting/Transcription Fees: \$24,964.25. These expenses were incurred in connection with three class certification depositions and three merits discovery depositions.

(c) Expert/Consultant Fees: \$298,075.60. In connection with the prosecution of this case, the firm has worked with several experts and consultants, principally in the fields of economics, insider trading, and media rights. These experts were critical to developing Lead Plaintiff's claims.

(i) Market Efficiency/Loss Causation/Damages - \$148,183.94. Lead Plaintiff consulted with a damages expert in connection with its initial investigation of the claims. Lead Counsel also retained Chad Coffman, CFA, Founder & President of Global Economics Group, LLC to evaluate damages and loss causation issues, as well as opine on market efficiency in connection with Lead Plaintiff's class certification motion. Mr. Coffman submitted a report in

connection with class certification. Mr. Coffman was also retained to evaluate issues of materiality, causation, and the amount of damages suffered by the class, as preparation for an expert report at summary judgment and to evaluate various damage scenarios in advance of mediation. Mr. Coffman also developed, in consultation with Lead Counsel, a fair and reasonable Plan of Allocation.

(ii) Insider Trading - \$55,000.00. Lead Plaintiff's insider trading expert assisted Lead Counsel in connection with discovery and during preparation for the mediation and was preparing an expert report concerning the Individual Defendants' sales of WWE stock during the Class Period.

(iii) MENA Region/Media Rights Consulting - \$32,060.00. Lead Plaintiff retained a MENA Region/Media Rights consulting expert, who assisted Lead Counsel in connection with discovery and during preparation for the mediation. This expert assisted Lead Counsel with identifying key individuals in the MENA region and framing discovery requests.

(iv) Media Rights Testimony - \$16,940.00. Lead Plaintiff's Media Rights testifying expert assisted Lead Counsel in connection with discovery and during preparation for the mediation and was preparing an expert report concerning the importance of media rights agreements, monetizing media rights, and the negotiation of such agreements.

(v) Jury/Trial Consultants- \$45,891.66. Lead Plaintiff retained jury consultants to provide advice concerning the then-prospect of a jury trial, which services would have included a mock trial and jury focus groups.

(d) International Investigators - \$74,753.58. Gryphon Strategies provided assistance to Lead Counsel through the identification and interviewing of witnesses located abroad, including in the MENA region. Gryphon also provided assistance during discovery with respect to the identification and location of relevant third parties.

(e) Litigation Support: \$24,474.05. These expenses were incurred in connection with electronic document discovery management and storage, and they include an estimate of approximately four months of ongoing costs. Although discovery has been paused in light of the Settlement, \$1,038.03 in baseline monthly fees for these vendors continue to be incurred. Given the Settlement Hearing on June 15, 2021, and the lack of objections to date, we estimate that the Settlement may reach its Effective Date in July, at which point the electronic discovery can be shut down.

(f) Work-Related Transportation, Hotels & Meals: \$3,834.09. In connection with the prosecution of this case, the firm has paid for work-related transportation expenses, meals, and travel expenses related to, among other things, the Lead Plaintiff's deposition. (All airfare is at economy rates.)

(g) Online Legal & Factual Research: \$14,991.15. These expenses relate to the usage of electronic databases, such as PACER, Thomson West (Westlaw) and Lexis/Nexis, Thomson T1 Research, and Bloomberg, which were used primarily to obtain access to financial data, legal research, and court filings. The charges for these vendors are tracked as related to this specific case through the use of the case specific client-matter number.

9. With respect to the standing of my firm, attached as Exhibit C is a brief biography of the firm, as well as biographies of the firm's partners and of counsels.

I declare under penalty of perjury that the foregoing statements are true and correct.

Executed on May 11, 2021.

SECURITIES CLASS ACTION LITIGATION

Labaton Sucharow is a leader in securities litigation and a trusted advisor to more than 300 institutional investors. Since the passage of the Private Securities Litigation Reform Act of 1995 (PSLRA), the Firm has recovered more than \$10 billion in the aggregate for injured investors through securities class actions prosecuted throughout the United States and against numerous public corporations and other corporate wrongdoers.

These notable recoveries would not be possible without our exhaustive case evaluation process. The Firm has developed a proprietary system for portfolio monitoring and reporting on domestic and international securities litigation, and currently provides these services to more than 300 institutional investors, which manage collective assets of more than \$2 trillion. The Firm's in-house investigators also gather crucial details to support our cases, whereas other firms rely on outside vendors or fail to conduct any confidential investigation at all.

As a result of our thorough case evaluation process, our securities litigators can focus solely on cases with strong merits. The benefits of our selective approach are reflected in the low dismissal rate of the securities cases we pursue, a rate well below the industry average. Over the past decade, we have successfully prosecuted headline-making class actions against AIG, Countrywide, Fannie Mae, and Bear Stearns, among others.

NOTABLE SUCCESSES

Labaton Sucharow has achieved notable successes in financial and securities class actions on behalf of investors, including the following:

- ***In re American International Group, Inc. Securities Litigation, No. 04-cv-8141 (S.D.N.Y.)***

In one of the most complex and challenging securities cases in history, Labaton Sucharow secured more than \$1 billion in recoveries on behalf of lead plaintiff Ohio Public Employees' Retirement System in a case arising from allegations of bid rigging and accounting fraud. To achieve this remarkable recovery, the Firm took over 100 depositions and briefed 22 motions to dismiss. The full settlement entailed a \$725 million settlement with American International Group (AIG), \$97.5 million settlement with AIG's auditors, \$115 million settlement with former AIG officers and related defendants, and an additional \$72 million settlement with General Reinsurance Corporation, which was approved by the Second Circuit on September 11, 2013.

- ***In re Countrywide Financial Corp. Securities Litigation, No. 07-cv-05295 (C.D. Cal.)***

Labaton Sucharow, as lead counsel for the New York State Common Retirement Fund and the five New York City public pension funds, sued one of the nation's largest issuers of mortgage loans for credit risk misrepresentations. The Firm's focused investigation and discovery efforts uncovered incriminating evidence that led to a \$624 million settlement for investors. On February 25, 2011, the court granted final approval to the

settlement, which is one of the top 20 securities class action settlements in the history of the PSLRA.

- ***In re HealthSouth Corp. Securities Litigation, No. 03-cv-01500 (N.D. Ala.)***

Labaton Sucharow served as co-lead counsel to New Mexico State Investment Council in a case stemming from one of the largest frauds ever perpetrated in the healthcare industry. Recovering \$671 million for the class, the settlement is one of the top 15 securities class action settlements of all time. In early 2006, lead plaintiffs negotiated a settlement of \$445 million with defendant HealthSouth. On June 12, 2009, the court also granted final approval to a \$109 million settlement with defendant Ernst & Young LLP. In addition, on July 26, 2010, the court granted final approval to a \$117 million partial settlement with the remaining principal defendants in the case—UBS AG, UBS Warburg LLC, Howard Capek, Benjamin Lorello, and William McGahan.

- ***In re Schering-Plough/ENHANCE Securities Litigation, No. 08-cv-00397 (D. N.J.)***

As co-lead counsel, Labaton Sucharow obtained a \$473 million settlement on behalf of co-lead plaintiff Massachusetts Pension Reserves Investment Management Board. After five years of litigation, and three weeks before trial, the settlement was approved on October 1, 2013. This recovery is one of the largest securities fraud class action settlements against a pharmaceutical company. The Special Masters' Report noted, **"The outstanding result achieved for the class is the direct product of outstanding skill and perseverance by Co-Lead Counsel...no one else...could have produced the result here—no government agency or corporate litigator to lead the charge and the Settlement Fund is the product solely of the efforts of Plaintiffs' Counsel."**

- ***In re Waste Management, Inc. Securities Litigation, No. H-99-2183 (S.D. Tex.)***

In 2002, the court approved an extraordinary settlement that provided for the recovery of \$457 million in cash, plus an array of far-reaching corporate governance measures. Labaton Sucharow represented lead plaintiff Connecticut Retirement Plans and Trust Funds. At that time, this settlement was the largest common fund settlement of a securities action achieved in any court within the Fifth Circuit and the third largest achieved in any federal court in the nation. Judge Harmon noted, among other things, that Labaton Sucharow **"obtained an outstanding result by virtue of the quality of the work and vigorous representation of the class."**

- ***In re General Motors Corp. Securities Litigation, No. 06-cv-1749 (E.D. Mich.)***

As co-lead counsel in a case against automotive giant General Motors (GM) and its auditor Deloitte & Touche LLP (Deloitte), Labaton Sucharow obtained a settlement of \$303 million—one of the largest settlements ever secured in the early stages of a securities fraud case. Lead plaintiff Deka Investment GmbH alleged that GM, its officers, and its outside auditor overstated GM's income by billions of dollars and GM's operating cash flows by tens of billions of dollars, through a series of accounting manipulations. The final settlement, approved on July 21, 2008, consisted of a cash payment of \$277 million by GM and \$26 million in cash from Deloitte.

▪ ***Arkansas Teacher Retirement System v. State Street Corp., No. 11-cv-10230 (D. Mass.)***

Labaton Sucharow served as lead counsel for the plaintiff Arkansas Teacher Retirement System (ATRS) in a securities class action against Boston-based financial services company, State Street Corporation (State Street). On November 2, 2016, the court granted final approval of the \$300 million settlement with State Street. The plaintiffs claimed that State Street, as custodian bank to a number of public pension funds, including ATRS, was responsible for foreign exchange (FX) trading in connection with its clients' global trading. Over a period of many years, State Street systematically overcharged pension fund clients, including Arkansas, for those FX trades.

▪ ***Wyatt v. El Paso Corp., No. H-02-2717 (S.D. Tex.)***

Labaton Sucharow secured a \$285 million class action settlement against the El Paso Corporation on behalf of the co-lead plaintiff, an individual. The case involved a securities fraud stemming from the company's inflated earnings statements, which cost shareholders hundreds of millions of dollars during a four-year span. On March 6, 2007, the court approved the settlement and also commended the efficiency with which the case had been prosecuted, particularly in light of the complexity of the allegations and the legal issues.

▪ ***In re Bear Stearns Cos., Inc. Securities, Derivative & ERISA Litigation, No. 08-cv-2793 (S.D.N.Y.)***

Labaton Sucharow served as co-lead counsel, representing lead plaintiff State of Michigan Retirement Systems and the class. The action alleged that Bear Stearns and certain officers and directors made misstatements and omissions in connection with Bear Stearns' financial condition, including losses in the value of its mortgage-backed assets and Bear Stearns' risk profile and liquidity. The action further claimed that Bear Stearns' outside auditor, Deloitte & Touche LLP, made misstatements and omissions in connection with its audits of Bear Stearns' financial statements for fiscal years 2006 and 2007. Our prosecution of this action required us to develop a detailed understanding of the arcane world of packaging and selling subprime mortgages. Our complaint has been called a "tutorial" for plaintiffs and defendants alike in this fast-evolving area. After surviving motions to dismiss, on November 9, 2012, the court granted final approval to settlements with the defendant Bear Stearns for \$275 million and with Deloitte for \$19.9 million.

▪ ***In re Massey Energy Co. Securities Litigation, No. 10-CV-00689 (S.D. W.Va.)***

As co-lead counsel representing the Commonwealth of Massachusetts Pension Reserves Investment Trust, Labaton Sucharow achieved a \$265 million all-cash settlement in a case arising from one of the most notorious mining disasters in US history. On June 4, 2014, the settlement was reached with Alpha Natural Resources, Massey's parent company. Investors alleged that Massey falsely told investors it had embarked on safety improvement initiatives and presented a new corporate image following a deadly fire at one of its coalmines in 2006. After another devastating explosion, which killed 29 miners in 2010, Massey's market capitalization dropped by more than \$3 billion. Judge Irene C. Berger noted, "**Class counsel has done an expert job of representing all of the**

class members to reach an excellent resolution and maximize recovery for the class.”

- ***Eastwood Enterprises, LLC v. Farha (WellCare Securities Litigation), No. 07-cv-1940 (M.D. Fla.)***

On behalf of the New Mexico State Investment Council and the Public Employees Retirement Association of New Mexico, Labaton Sucharow served as co-lead counsel and negotiated a \$200 million settlement over allegations that WellCare Health Plans, Inc., a Florida-based healthcare service provider, disguised its profitability by overcharging state Medicaid programs. Further, under the terms of the settlement approved by the court on May 4, 2011, WellCare agreed to pay an additional \$25 million in cash if, at any time in the next three years, WellCare was acquired or otherwise experienced a change in control at a share price of \$30 or more after adjustments for dilution or stock splits.

- ***In re Bristol-Myers Squibb Securities Litigation, No. 00-cv-1990 (D.N.J.)***

Labaton Sucharow served as lead counsel representing the lead plaintiff, union-owned LongView Collective Investment Fund of the Amalgamated Bank (LongView), against drug company Bristol-Myers Squibb (BMS). LongView claimed that the company’s press release touting its new blood pressure medication, Vanlev, left out critical information—that undisclosed results from the clinical trials indicated that Vanlev appeared to have life-threatening side effects. The FDA expressed serious concerns about these side effects, and BMS released a statement that it was withdrawing the drug’s FDA application, resulting in the company’s stock price falling and losing nearly 30 percent of its value in a single day. After a five-year battle, we won relief on two critical fronts. First, we secured a \$185 million recovery for shareholders, and second, we negotiated major reforms to the company’s drug development process that will have a significant impact on consumers and medical professionals across the globe. Due to our advocacy, BMS must now disclose the results of clinical studies on all of its drugs marketed in any country.

- ***In re Fannie Mae 2008 Securities Litigation, No. 08-cv-7831 (S.D.N.Y.)***

As co-lead counsel representing co-lead plaintiff Boston Retirement System, Labaton Sucharow secured a \$170 million settlement on March 3, 2015, with Fannie Mae. The lead plaintiffs alleged that Fannie Mae and certain of its current and former senior officers violated federal securities laws, by making false and misleading statements concerning the company’s internal controls and risk management with respect to Alt-A and subprime mortgages. The lead plaintiffs also alleged that defendants made misstatements with respect to Fannie Mae’s core capital, deferred tax assets, other-than-temporary losses, and loss reserves. Labaton Sucharow successfully argued that investors’ losses were caused by Fannie Mae’s misrepresentations and poor risk management, rather than by the financial crisis. This settlement is a significant feat, particularly following the unfavorable result in a similar case involving investors in Fannie Mae’s sibling company, Freddie Mac.

- ***In re Broadcom Corp. Class Action Litigation, No. 06-cv-05036 (C.D. Cal.)***

Labaton Sucharow served as lead counsel on behalf of lead plaintiff New Mexico State Investment Council in a case stemming from Broadcom Corp.’s \$2.2 billion restatement of its historic financial statements for 1998-2005. In August 2010, the court granted final approval of a \$160.5 million settlement with Broadcom and two individual defendants to

resolve this matter. It is the second largest up-front cash settlement ever recovered from a company accused of options backdating. Following a Ninth Circuit ruling confirming that outside auditors are subject to the same pleading standards as all other defendants, the district court denied the motion by Broadcom's auditor, Ernst & Young, to dismiss on the ground of loss causation. This ruling is a major victory for the class and a landmark decision by the court—the first of its kind in a case arising from stock-options backdating. In October 2012, the court approved a \$13 million settlement with Ernst & Young.

- ***In re Satyam Computer Services Ltd. Securities Litigation*, No. 09-md-2027 (S.D.N.Y.)**

Satyam Computer Services Ltd. (Satyam), referred to as “India’s Enron,” engaged in one of the most egregious frauds on record. In a case that rivals the Enron and Bernie Madoff scandals, the Firm represented lead plaintiff UK-based Mineworkers’ Pension Scheme, which alleged that Satyam, related entities, Satyam’s auditors, and certain directors and officers made materially false and misleading statements to the investing public about the company’s earnings and assets, artificially inflating the price of Satyam securities. On September 13, 2011, the court granted final approval to a settlement with Satyam of \$125 million and a settlement with the company’s auditor, PricewaterhouseCoopers, in the amount of \$25.5 million. Judge Barbara S. Jones commended lead counsel during the final approval hearing, noting the “**...quality of representation[,]** **which I found to be very high.**”

- ***In re Mercury Interactive Corp. Securities Litigation*, No. 05-cv-3395 (N.D. Cal.)**

Labaton Sucharow served as co-lead counsel on behalf of co-lead plaintiff Steamship Trade Association/International Longshoremen’s Association Pension Fund, which alleged that Mercury Interactive Corp. (Mercury) backdated option grants used to compensate employees and officers of the company. Mercury’s former CEO, CFO, and General Counsel actively participated in and benefited from the options backdating scheme, which came at the expense of the company’s shareholders and the investing public. On September 25, 2008, the court granted final approval of the \$117.5 million settlement.

- ***In re Oppenheimer Champion Fund Securities Fraud Class Actions*, No. 09-cv-525 (D. Colo.) and *In re Core Bond Fund*, No. 09-cv-1186 (D. Colo.)**

Labaton Sucharow served as lead counsel and represented individuals and the proposed class in two related securities class actions brought against OppenheimerFunds, Inc., among others, and certain officers and trustees of two funds—Oppenheimer Core Bond Fund and Oppenheimer Champion Income Fund. The lawsuits alleged that the investment policies followed by the funds resulted in investor losses when the funds suffered drops in net asset value although they were presented as safe and conservative investments to consumers. In May 2011, the Firm achieved settlements amounting to \$100 million: \$52.5 million in *In re Oppenheimer Champion Fund Securities Fraud Class Actions* and a \$47.5 million settlement in *In re Core Bond Fund*.

▪ ***In re Computer Sciences Corporation Securities Litigation, No. 11-cv-610 (E.D. Va.)***

As lead counsel representing Ontario Teachers' Pension Plan Board, Labaton Sucharow secured a \$97.5 million settlement in this "rocket docket" case involving accounting fraud. The settlement was the third largest all-cash recovery in a securities class action in the Fourth Circuit and the second largest all-cash recovery in such a case in the Eastern District of Virginia. The plaintiffs alleged that IT consulting and outsourcing company, Computer Sciences Corporation (CSC), fraudulently inflated its stock price by misrepresenting and omitting the truth about the state of its most visible contract and the state of its internal controls. In particular, the plaintiffs alleged that CSC assured the market that it was performing on a \$5.4 billion contract with the UK National Health Service when CSC internally knew that it could not deliver on the contract, departed from the terms of the contract, and as a result, was not properly accounting for the contract. Judge T.S. Ellis III stated, **"I have no doubt—that the work product I saw was always of the highest quality for both sides."**

Labaton Sucharow represents Arkansas Teacher Retirement System in a high-profile litigation based on the scandals involving Goldman Sachs' sales of the Abacus CDO.

INNOVATIVE LEGAL STRATEGY

Bringing successful litigation against corporate behemoths during a time of financial turmoil presents many challenges, but Labaton Sucharow has kept pace with the evolving financial markets and with corporate wrongdoers' novel approaches to committing fraud.

Our Firm's innovative litigation strategies on behalf of clients include the following:

▪ ***Mortgage-Related Litigation***

In *In re Countrywide Financial Corporation Securities Litigation*, No. 07-cv-5295 (C.D. Cal.), our client's claims involved complex and data-intensive arguments relating to the mortgage securitization process and the market for residential mortgage-backed securities (RMBS) in the United States. To prove that defendants made false and misleading statements concerning Countrywide's business as an issuer of residential mortgages, Labaton Sucharow utilized both in-house and external expert analysis. This included state-of-the-art statistical analysis of loan level data associated with the creditworthiness of individual mortgage loans. The Firm recovered \$624 million on behalf of investors.

Building on its experience in this area, the Firm has pursued claims on behalf of individual purchasers of RMBS against a variety of investment banks for misrepresentations in the offering documents associated with individual RMBS deals.

▪ ***Options Backdating***

In 2005, Labaton Sucharow took a pioneering role in identifying options-backdating practices as both damaging to investors and susceptible to securities fraud claims, bringing a case, *In re Mercury Interactive Securities Litigation*, No. 05-cv-3395 (N.D. Cal.), that spawned many other plaintiff recoveries.

Leveraging its experience, the Firm went on to secure other significant options backdating settlements in, for example, *In re Broadcom Corp. Class Action Litigation*, No. 06-cv-5036 (C.D. Cal.) and *In re Take-Two Interactive Securities Litigation*, No. 06-cv-0803 (S.D.N.Y.). Moreover, in *Take-Two*, Labaton Sucharow was able to prompt the SEC to reverse its initial position and agree to distribute a disgorgement fund to investors, including class members. The SEC had originally planned for the fund to be distributed to the US Treasury. As a result, investors received a very significant percentage of their recoverable damages.

▪ ***Foreign Exchange Transactions Litigation***

The Firm has pursued and is pursuing claims for state pension funds against BNY Mellon and State Street Bank, the two largest custodian banks in the world. For more than a decade, these banks failed to disclose that they were overcharging their custodial clients for foreign exchange transactions. Given the number of individual transactions this practice affected, the damages caused to our clients and the class were significant.

Our claims, involving complex statistical analysis, as well as qui tam jurisprudence, were filed ahead of major actions by federal and state authorities related to similar allegations that commenced in 2011. Our team favorably resolved the BNY Mellon matter in 2012. The case against State Street Bank resulted in a \$300 million recovery.

APPELLATE ADVOCACY AND TRIAL EXPERIENCE

When it is in the best interest of our clients, Labaton Sucharow repeatedly has demonstrated our willingness and ability to litigate these complex cases all the way to trial, a skill unmatched by other firms in the plaintiffs' bar.

Labaton Sucharow is one of the few firms in the plaintiffs' securities bar to have prevailed in a case before the US Supreme Court. In *Amgen Inc. v. Connecticut Retirement Plans and Trust Funds*, 568 U.S. 455 (2013), the Firm persuaded the court to reject efforts to thwart the certification of a class of investors seeking monetary damages in a securities class action. This represents a significant victory for all plaintiffs in securities class actions.

In *In re Real Estate Associates Limited Partnership Litigation*, Labaton Sucharow's advocacy significantly increased the settlement value for shareholders. The defendants were unwilling to settle for an amount the Firm and its clients viewed as fair, which led to a six-week trial. The Firm and co-counsel ultimately obtained a landmark \$184 million jury verdict. The jury supported the plaintiffs' position that the defendants knowingly violated federal securities laws and that the general partner had breached his fiduciary duties to shareholders. The \$184 million award was one of the largest jury verdicts returned in any PSLRA action and one in which the class, consisting of 18,000 investors, recovered 100 percent of their damages.

WOMEN’S INITIATIVE

Women’s Networking and Mentoring Initiative

Labaton Sucharow became the first—and remains the only—securities litigation firm with a dedicated program that fosters growth, leadership, and success for its female attorneys. Established in 2007, Labaton Sucharow’s Women’s Initiative has hosted numerous educational seminars and networking events at the Firm. The goal of the Women’s Initiative is to promote the advancement and growth of female lawyers and staff in order to groom them into future leaders, as well as to collaborate with industry and thought leaders to promote the advancement of women as a whole. The Women’s Initiative does this in part by engaging phenomenal female speakers who can impart wisdom, share professional lessons learned, and serve as an inspiration to the group. The Women’s Initiative also hosts numerous workshops throughout the year that focus on enhancing professional development. Past workshops have focused on strengthening negotiation and public speaking skills, the importance of business development, and addressing gender inequality issues for women in the law.

Institutional Investing in Women and Minority-Led Investment Firms

In September 2018, Labaton Sucharow's Women's Initiative hosted its inaugural half-day event featuring two all-female panels on institutional investing in women and minority-led investment firms at the Four Seasons Hotel in New York. The event was designed to bring public pension funds, diverse managers, hedge funds, investment consultants, and legal counsel together to address the importance of diversity investing and to hear

firsthand from leaders in the space as to how we can advance institutional investing in diverse investment firms. Noteworthy research has shown that diversity in background, gender, and ethnicity leads to smarter, more balanced, and better-informed decision making—which leads to generations of greater returns for all involved. And investing in women and minority-led firms creates a positive social impact, which can address economic imbalances that may be socially driven.

The event allows us to provide a platform for highly accomplished women within the pension and investment community to share their experiences and expertise in this area. One of the primary goals of this event is to foster awareness of diverse asset management opportunities and discuss the benefits of allocations to diverse firms, while highlighting best practices for enabling diverse managers to showcase their unique strengths to institutional investors. While diverse in other aspects, it is notable that the event features all-female panels, an important step to support the recognition and advancement of women and a trend that we hope and believe will continue to gain visibility at national and international conferences each year. In terms of its audience, the event has been targeted to those in the investment community who can continue a dialogue and advance the program's cause. As such, while very well-attended by guests from all over the country, the event is designed to be intimate in nature to allow for a free exchange of thoughts and ideas.

The inaugural event, which was co-chaired by partners Serena P. Hallowell, Carol C. Villegas, and Marisa N. DeMato, was shortlisted for *Euromoney's* Best Gender Diversity Initiative award and for a *Chambers USA* Diversity & Inclusion Award. Our Women's Initiative hosted its second annual event in September 2019 and is planning additional events in 2020.

Ira A. Schochet is a partner in the New York office of Labaton Sucharow LLP. A seasoned litigator with three decades of experience, Ira focuses on class actions involving securities fraud. Ira has played a lead role in securing multimillion dollar recoveries in high-profile cases such as those against Countrywide Financial Corporation (\$624 million), Weatherford International Ltd (\$120 million), Massey Energy Company (\$265 million), Caterpillar Inc. (\$23 million), Autoliv Inc. (\$22.5 million), and Fifth Street Financial Corp. (\$14 million).

A highly regarded industry veteran, Ira has been recommended in securities litigation by *The Legal 500*, named a "Leading Plaintiff Financial Lawyer" by *Lawdragon* and been awarded an AV Preeminent rating, the highest distinction, from Martindale-Hubbell.

Ira is a longtime leader in the securities class action bar and represented one of the first institutional investors acting as a lead plaintiff in a post-Private Securities Litigation Reform Act case and ultimately obtained one of the first rulings interpreting the statute's intent provision in a manner

favorable to investors in *STI Classic Funds, et al. v. Bollinger Industries, Inc.* His efforts are regularly recognized by the courts, including in *Kamarasy v. Coopers & Lybrand*, where the court remarked on “the superior quality of the representation provided to the class.” In approving the settlement he achieved in *In re InterMune Securities Litigation*, the court complimented Ira’s ability to secure a significant recovery for the class in a very efficient manner, shielding the class from prolonged litigation and substantial risk.

Ira has also played a key role in groundbreaking cases in the field of merger and derivative litigation. In *In re Freeport-McMoRan Copper & Gold Inc. Derivative Litigation*, he achieved the second largest derivative settlement in the Delaware Court of Chancery history, a \$153.75 million settlement with an unprecedented provision of direct payments to stockholders by means of a special dividend. In another first-of-its-kind case, Ira was featured in *The AmLaw Litigation Daily* as Litigator of the Week for his work in *In re El Paso Corporation Shareholder Litigation*. The action alleged breach of fiduciary duties in connection with a merger transaction, including specific reference to wrongdoing by a conflicted financial advisory consultant, and resulted in a \$110 million recovery for a class of shareholders and a waiver by the consultant of its fee.

From 2009-2011, Ira served as President of the National Association of Shareholder and Consumer Attorneys (NASCAT), a membership organization of approximately 100 law firms that practice class action and complex civil litigation. During this time, he represented the plaintiffs’ securities bar in meetings with members of Congress, the Administration, and the SEC.

From 1996 through 2012, Ira served as Chairman of the Class Action Committee of the Commercial and Federal Litigation Section of the New York State Bar Association. During his tenure, he served on the Executive Committee of the Section and authored important papers on issues relating to class action procedure including revisions proposed by both houses of Congress and the Advisory Committee on Civil Procedure of the United States Judicial Conference. Examples include “Proposed Changes in Federal Class Action Procedure,” “Opting Out on Opting In,” and “The Interstate Class Action Jurisdiction Act of 1999.” Ira has also lectured extensively on securities litigation at seminars throughout the country.

Ira earned his Juris Doctor from Duke University School of Law and his bachelor’s degree, *summa cum laude*, from the State University of New York at Binghamton.

He is admitted to practice in New York.

Mark Willis

Partner

Mark S. Willis is a Partner in the D.C. office of Labaton Sucharow LLP. With nearly three decades of experience, Mark's practice focuses on domestic and international securities litigation. Mark advises leading pension funds, investment managers, and other institutional investors from around the world on their legal remedies when impacted by securities fraud and corporate governance breaches. Mark represents clients in U.S. litigation and maintains a significant practice advising clients on the pursuit of securities-related claims abroad.

Mark is recommended by *The Legal 500* for excellence in securities litigation and has been named one of *Lawdragon's* "500 Leading Plaintiff Financial Lawyer in America." Under his leadership, the Firm has been awarded *Law360* Practice Group of the Year Awards for Class Actions and Securities.

Mark represents institutions from the United Kingdom, Spain, the Netherlands, Denmark, Germany, Belgium, Canada, Japan, and the United States in a novel lawsuit in Texas against BP plc to salvage claims that were dismissed from the U.S. class action because the claimants' BP shares were purchased abroad (thus running afoul of the Supreme Court's *Morrison* rule that precludes a U.S. legal remedy for such shares). These previously dismissed claims have now been sustained and are being pursued under English law in a Texas federal court.

Mark also represents the Utah Retirement Systems in a shareholder action against the DeVry Education Group, and he represented the Arkansas Public Employees Retirement System in a shareholder action against The Bancorp (which settled for \$17.5 million), and Caisse de dépôt et placement du Québec, one of Canada's largest institutional investors, in a U.S. shareholder class action against Liquidity Services (which settled for \$17 million).

In the *Converium* class action, Mark represented a Greek institution in a nearly four-year battle that eventually became the first U.S. class action settled on two continents. This trans-Atlantic result saw part of the \$145 million recovery approved by a federal court in New York, and the rest by the Amsterdam Court of Appeal. The Dutch portion was resolved using the Netherlands then newly enacted Act on Collective Settlement of Mass Claims. In doing so, the Dutch Court issued a landmark decision that substantially broadened its jurisdictional reach, extending jurisdiction for the first time to a scenario in which the claims were not brought under Dutch law, the alleged wrongdoing took place outside the Netherlands, and none of the potentially liable parties were domiciled in the Netherlands.

In the corporate governance arena, Mark has represented both U.S. and overseas investors. In a shareholder derivative action against Abbott Laboratories' directors, he charged the defendants with mismanagement and fiduciary breaches for causing or allowing the company to engage in a 10-year off-label marketing scheme, which had resulted in a \$1.6 billion payment pursuant to a Justice Department investigation—at the time the second largest in history for a pharmaceutical company. In the derivative action, the company agreed to implement sweeping corporate governance reforms, including an extensive compensation clawback provision going beyond the requirements under the Dodd-Frank Act, as well as the restructuring of a board committee and enhancing the role of the Lead Director. In the *Parmalat* case, known as the “Enron of Europe” due to the size and scope of the fraud, Mark represented a group of European institutions and eventually recovered nearly \$100 million and negotiated governance reforms with two large European banks who, as part of the settlement, agreed to endorse their future adherence to key corporate governance principles designed to advance investor protection and to minimize the likelihood of future deceptive transactions. Securing governance reforms from a defendant that was not an issuer was a first at that time in a shareholder fraud class action.

Mark has also represented clients in opt-out actions. In one, brought on behalf of the Utah Retirement Systems, Mark negotiated a settlement that was nearly four times more than what its client would have received had it participated in the class action.

On non-U.S. actions Mark has advised clients, and represented their interests as liaison counsel, in more than 30 cases against companies such as Volkswagen, Olympus, the Royal Bank of Scotland, the Lloyds Banking Group, and Petrobras, and in jurisdictions ranging from the UK to Japan to Australia to Brazil to Germany.

Mark has written on corporate, securities, and investor protection issues—often with an international focus—in industry publications such as *International Law News*, *Professional Investor*, *European Lawyer*, and *Investment & Pensions Europe*. He has also authored several chapters in international law treatises on European corporate law and on the listing and subsequent disclosure obligations for issuers listing on European stock exchanges. He also speaks at conferences and at client forums on investor protection through the U.S. federal securities laws, corporate governance measures, and the impact on shareholders of non-U.S. investor remedies.

Mr. Willis earned his Juris Doctor from the Pepperdine University School of Law and his master's degree from Georgetown University Law Center.

He is admitted to practice in Massachusetts and Washington, D.C.
